Outcomes

Section represented by Emma (leader) and Conor G.

12 days of Christmas tickets were discussed and it was decided that this year books of tickets would not be handed out to the Venture Scouts unless they specifically want a book. But that the Ventures are expected to help during the weekend in the Frascato Shopping Centre. This weekend is the 29th Nov - 2nd Dec.

Section was asked to build a teepee structure for the cubs for the weekend of 20th/21st Oct, Conor said that this wouldn't be a problem.

Niamh McLain was appointed as our new Group Leader.

Every section must do regular fire drills, in particular one must be done before the Christmas break.
